TIMELINE

An invitation went out to all participants from 2025 late in Feb, inviting them to apply for membership in 2026 before March 1. This gave every one a chance to let us know their intentions. All teams indicated they were returning. One team replaced a member. Another team lost a couple who had other commitments, but the spot was filled by a spare from the previous season and her spouse.

An Open House for B&B League was held June 11. Then the following 10 Thursday evenings were set aside for play, beginning June 18. An 11th night was reserved as a make-up date. Due to weather conditions 2 dates had to be rescheduled. We could only reschedule 1 date, so played a total of 9 nights.

BAR

The club bar was open for each evening.

Bar duties were contracted out for each of the evenings at \$20 for 3 hrs each week.

Bar sales for the season \$5,072

Profit determined by Club Bar Chair and Treasurer after deducting bar tender fees, cost of alcohol = net profit of \$1996 with 50% to club & 50% to league

SPARES

This year people who wished to spare signed waivers and a sign-in sheet giving date an team. Regular club members with 2 or less years of experience could spare at no extra cost. Non club members were allowed to spare 3 times at no extra cost. We had over 25 different spares in the season.
