

Tournament Report 2024-25

This season the club continued with the same four evening Open Tournaments. The fall Harvest Bowls remained a Closed Club Tournament. The Short Mat Tournament was canceled.

Returning again were Chartwell \$250, Tri-City Cremations \$250; Toyota MMC \$500

Short Mat - Not held as no date available

Aussie Pairs June 17 - full 16 teams

OT(2nv) July 8 - 14 teams

Men's Pairs Aug. 5 - 12 teams

Women's Pairs Aug. 12 - 14 teams

Harvest Bowl - Sept. 19 - 64 individuals in jitney play

Some things to think about:

Move the evening tournaments to Wed. evenings. This would open up more Tuesdays for our current Triples League. Less conflict with other neighbouring clubs as Wed evenings is basically social bowling at Heritage, Elmira, Elora & Guelph.

Each tournament should have a different Tournament Director and a Drawmaster.

Should we go back to holding the Men's and Women's Pairs on one night and limiting it to 8 teams of each?

Harvest Bowl should we keep it open to all club members and do we need limits on numbers and what members may play?

If club finances permit, perhaps make the profit from the Harvest Bowl a donation to a specially selected group.

Tournament Reports 2025
