Items for Draw (2026)

**Gift Baskets ?- Moore's Berries, Wave Maker, Norex,
Ayr Mutual, Thames River Melons,
Garlic King, Tony Monteiro**

**Certificates/Coupons ? – Suds/Jiffy, Quality Lube & Tire Auto Centre Puslinch,
Guelph Auto, Speedy Auto Guelph**

Of course the funds from above do not all directly go into the club's account. However things do have a bearing on what the club makes. i.e. If refreshments are provided, that leaves more money in tournament earnings. Money raised from the Harvest Bowl draws goes into the club account. Money from draws in the B & B pays for the prizes and refreshments at the end of the season.

and probably a few more

Most of these attempts were “**cold calls**” solicitations using email to the company. If no email available I sometimes used a Facebook message. It would be nice to actually drop in with information, which is what I used to do, but just found it too much in recent years

If you figure 6 - 10 new adverts or donations with 60 rejections, I was batting about 15% OR in baseball terms .150 Probably time for me to be on the bench.

A note to anyone taking on this task. Don't give up!
